## Don't Miss

### A Sign of the Times: **The Petula Clark Special**

with Petula Clark  
and Harry Belafonte

Thursday, May 8, 2008; 6:00 to 7:30 pm

Forty years ago singer Petula Clark was given her own special by NBC only to have the innocent variety show end up the center of a racial controversy. But it's more than that: *Petula* is a time capsule of the styles and sounds of 1968. Clark sings such hits as "Don't Sleep in the Subway," and is joined by another great entertainer, Harry Belafonte. Following a screening of the program they will appear with the special's director/producer, Steve Binder, to talk about its creation and notoriety.
